+92 315 4224304 - Islamabad, Pakistan

A passionate developer with over 4 years of experience building web applications for enterprises and various projects for clients and the wider community

EXPERIENCE

Full Stack Developer   **Classadia, Remote (contract), Jan 2024 - Jul 2024**
- Built new features for the web and mobile apps
- Utilized React and React Native for the frontend and NestJS for the backend
- Made improvements and fixed issues for both platforms
- Built new APIs to facilitate new features

Frontend Web Developer   **Letswork, Dubai, Apr 2022 - Sep 2023**
- Worked on the rebuild of the web application, enhancing its visual appeal and performance.
- Utilized Next.js, React, and Tailwind CSS to modernize the app's frontend.
- Assisted in the development of a new Branch Manager Dashboard, leveraging React and Material UI.
- Continuously contributed to the enhancement of the web app's functionality by developing and integrating new features based on business needs.

Chatbot Developer   **Freelance, Remote (part-time), May 2019 - Nov 2021**
- Developed custom Discord chatbots for online clients
- Completed 40+ orders
- Used Node.js and Python
